

2015 Safe Block Program Application

The Forest Park Southeast Safe Block Program is set to offer safety and security enhancements to blocks in the Forest Park Southeast neighborhood. Please fill out the form below and drop it off to the Washington University Medical Center Redevelopment Corporation at 4400 Chouteau Avenue, St. Louis MO 63110. Application deadline is **July 31, 2015**. Please encourage your neighborhoods to participate in the program. **Blocks with the highest number of participants will be given first priority of installation dates and security items.** Thank you for your participation in creating a safe and secure block.
