

Safe Block Program 2014

The **Safe Block Program** offers safety and security enhancements to homes in participating blocks in the Forest Park Southeast neighborhood. The goal of the program is to create safer streets and communities by providing residents with access to additional security features. Please review and complete the attached application and submit to our office at 4400 Chouteau no later than **August 31,2014**.

At least 51% of a block must be signed up to participate in the 2014 Safe Block Program. Once 51% of a block has been accepted to participate in the program we will begin to schedule the installation of Home Security Items for participants on the block. All items will be installed free of charge by a licensed contractor. Scheduling dates are subject to contractor availability. **Quantities are limited for all items and they will be offered on a first come first serve basis.**

Home Security Items

Door Locks

Window Locks

Motion Lights (limit 2 per household)

Swing Bar Door Guard

Fire Extinguishers (limit 1 per household)

For more information please contact Enrique Flores by phone at (314)747-2332 or by email at floresnr@wustl.edu

2014 Safe Block Program Application

The Safe Block Program offers safety and security enhancements to participating blocks in FPSE. Please fill out the form below and drop it off or mail it to the Washington University Medical Center Redevelopment Corporation at 4400 Chouteau Avenue, St. Louis Mo 63110. Application deadline is **August 31, 2014**. Once 51% of a block has signed up for a program we will begin scheduling the installation of home security items. Installation dates are subject to contractor availability. Thank you for your participation in creating a safe and secure block.
