The plans include new classroom space, more room for tournaments, and chess-inspired restaurant. An \$8M building permit was issued in January 2023. As of october 2025, the development has been completed.
Investment: \$8M

Central West End | October 2025

17: Cortex K and MX

Status: Stalled

Expected Completion: Early 2027

Development: KDG Development has proposed a 3-part project on approximately 20 acres bounded by Boyle, Sarah, the MetroLink tracks, and I-64. This development, Cortex K, will contain office, residential and parking space alongside pedestrian improvements. The main office complex will be comprised of a 125,000 sqft office building with 7,000 sqft of retail and a 610 space parking garage. The adjacent apartment building – Cortex MX – will contain 160 units spread over 7 stories, 18,500 sqft of office space, and 2,150 sqft of retail. The developer has sought \$14M in TIF assistance. A \$27M building permit application was submitted for the first project in March 2023. Construction was set to begin early 2025, but appears to have not begun as of October.

Investment: \$99M

18: Air St Louis

Status: Proposed

Expected Completion: Unknown

Development: DMG Investments, a New York-based real estate firm plans to develop apartments at 3901 Forest Park Ave. The proposed \$25 million project, called “Air St. Louis,” is still in its early stages, with a zoning-only permit filed in August. Preliminary plans include ground-floor retail and multiple floors of apartment. Currently, the site is used as a makeshift park, and there are no signs of progress on the proposed development, as of October 2025.

Investment: \$25M
